

An Affiliate of the World Association for Infant Mental Health

NAIMH Membership Application

The mission of NAIMH is:

- ✓ To promote and support nurturing relationships for all infants, toddlers, and young children (0 to 5).
- ✓ To provide a forum for interaction and study among professionals, students, and parents.
- ✓ To advocate for application of infant mental health principles for services to infants and young children and their families.
- ✓ To distribute educational materials that promotes an increased understanding of infant mental health issues.
