**ENDORSEMENT FOR CULTURALLY SENSITIVE, RELATIONSHIP-FOCUSED PRACTICE  
PROMOTING INFANT AND EARLY CHILDHOOD MENTAL HEALTH® (Endorsement)**

Endorsement is an internationally recognized credential used to demonstrate specialization in the infant-early childhood mental health (IECMH) field. Endorsement supports and recognizes the development of professionals who work with or on behalf of pregnant people, infants, young children, and their families. Endorsement was developed by MI-AIMH in 2002 and is now used by 33 state associations of infant mental health (AIMHs) and two international associations. Each of those AIMHs is a member of the Alliance for the Advancement of Infant Mental Health. Through the Alliance, Endorsement in Nebraska is recognized in each of the 35 AIMHs! As of December 31, 2021, over 4,600 professionals had earned Endorsement worldwide!<sup>1</sup>
